Section 2 - Dues Deduction or Fair Share

2/2/1 The Employer agrees to deduct the amount of dues or the proportionate share of the cost of the collective bargaining process and contract administration measured by the amount of dues uniformly required of all members, as certified by the Union from the earnings of the employees in the units. The amount so deducted shall be paid to the Union.

2/2/2 The Union shall indemnify and save the Employer harmless against any and all claims, demands, suits, or other forms of liability which may arise out of any action taken or not taken by the Employer for the purpose of complying with the provisions of this Section.

2/5/1 The Employer agrees that non-employee officers and representatives of the Union shall be admitted to the premises of the Employer during working hours upon advance notice, twenty four (24) hours if possible, to the appropriate Employer representative. Such visitations shall be for the purpose of ascertaining whether or not this Agreement is being observed by the parties and for the adjustment of grievances. The Union agrees that such activities shall not interfere with the normal work duties of employees. The Employer reserves the right to designate a meeting place or to provide a representative to accompany the Union officer where operational requirements do not permit unlimited access.

If requested by the authorized employee representative, the Employer

may permit additional Building Trade employees and/or Craft business agents to attend a particular Union-Management Meeting. The purpose of each meeting shall be to:

- D. Consider health and safety matters relating to bargaining unit employees in the department.

Management Rights

3/1/1 It is understood and agreed by the parties that management possesses the sole right to operate its agencies so as to carry out the statutory mandate and goals assigned to the agencies and that all management rights repose in management; however, such rights must be exercised consistently with the other provisions of this Agreement.

3/1/2 Management rights include:

- A. To utilize personnel, methods, and means in the most appropriate and efficient manner possible as determined by management.
- B. To manage and direct the employees of the various agencies.
- C. To transfer, assign or retain employees in positions within the agency.
- D. To suspend, demote, discharge or take other appropriate disciplinary action against employees for just cause.
- E. To determine the size and composition of the work force and to lay off employees in the event of lack of work or funds or under conditions where management believes that continuation of such work would be inefficient or nonproductive.
- F. To determine the mission of the agency and the methods and means necessary to fulfill that mission including the contracting out for or the transfer, alteration, curtailment or discontinuance of any goals or services. However, the provisions of this Article shall not be used for the purpose of undermining the Union or discriminating against any of its members.

3/1/3 It is agreed by the parties that none of the management rights noted above or any other management rights shall be subjects of bargaining during the term of this Agreement. Additionally, it is recognized by the

parties that the Employer is prohibited from bargaining on the policies, practices and procedures of the civil service merit system relating to:

A. Original appointments and promotions specifically including recruitment, examinations, certifications, appointments, and policies with respect to probationary periods.

B. The job evaluation system specifically including position classification, position qualification standards, establishment and abolition of classifications, assignment and reassignment of classifications to salary ranges, and allocation and reallocation of positions to classifications, and the determination of an incumbent's status resulting from position reallocation.

ARTICLE IV

Grievance Procedure

Section 1 - Definition

4/1/1 A grievance is defined as, and limited to, a written complaint involving an alleged violation of a specific provision of this Agreement.

4/1/2 Only one (1) subject matter shall be covered in any one (1) grievance. A grievance shall contain a clear and concise statement of the grievance by indicating the issue involved, the relief sought, the date the incident or violation took place, and the specific section or sections of the Agreement involved. The grievance shall be presented to the designated supervisor involved in quadruplicate (on forms furnished by the Employer to the Union and any prospective grievant) and signed and dated by the employee(s) and/or Union representative.

4/1/3 An employee may choose to have his/her appropriate Union representative represent him/her at any step of the grievance procedure. If an employee brings any grievance to the Employer's attention without first having notified the Union, the Employer representative to whom such grievance is brought shall immediately notify the appropriate Union representative and no further discussion shall be had on the matter until the appropriate Union representative has been given notice and an opportunity to be present. The appropriate union representative is the steward if one has been designated for the local job headquarters. If the steward is absent or if no steward has been designated, the appropriate union representative shall be the business agent of the employee's union local which represents the area in which the employee's job headquarters is located. Individual employees or groups of employees shall have the right to present grievances in person or through other non-Building Trades representatives of their own choosing at any step of the grievance procedure including arbitration, provided that the appropriate Union representative has been afforded the opportunity to be present at any discussions and that any settlement reached is not inconsistent with the provisions of this Agreement.

4/1/4 All grievances must be presented promptly and no later than thirty (30) calendar days from the date the grievant first became aware of, or should have become aware of with the exercise of reasonable diligence, the cause of such grievance.

Section 2 - Grievance Steps

4/2/1 Step One: Within seven (7) calendar days of receipt of the written grievance from the employee(s) or his/her representative, the immediate supervisor and/or the designated employing unit representative will schedule a meeting with the employee and his/her representative to hear the grievance and return a written answer to the employee and his/her representative. The parties can mutually agree to waive Step One.

4/2/2 Step Two: If dissatisfied with management's answer in Step One, to be considered further, the grievance must be appealed to the appointing authority or his/her designee (i.e., Division Administrator, Bureau Director, or personnel office) within seven (7) calendar days from receipt of the answer in Step One. The designated agency representative(s) will meet with the employee and his/her designated representative(s) to discuss and attempt to resolve the grievance. Following this meeting, the written decision of the agency will be placed on the grievance by the appointing authority or his/her designee and returned to the grievant and his/her representative, within twenty-one (21) calendar days from receipt of the appeal to Step Two.

4/2/3 Step Three: Grievances which have not been settled under the foregoing procedure may be appealed to arbitration by either party within fifteen (15) calendar days from the date of the agency's answer in Step Two, or the grievance will be considered ineligible for appeal to arbitration. The party to which unresolved second step grievances are appealed to arbitration is the ~~Department~~Office of State Employment Relations. If an unresolved grievance is not appealed to arbitration, it shall be considered terminated on the basis of the Second Step answers of the parties without prejudice or precedent in the resolution of future grievances. The issue as stated in the Second Step shall constitute the sole and entire subject matter to be heard by the arbitrator, unless the parties agree to modify the scope of the hearing.

4/2/4 For the purpose of selecting an impartial arbitrator, the parties or party, acting jointly or separately, shall request the Wisconsin Employment Relations Commission to appoint a staff member to serve as the impartial arbitrator of the grievance.

4/2/5 Where two (2) or more grievances are appealed to arbitration, an effort will be made by the parties to agree upon the grievances to be heard by any one (1) arbitrator. On the grievances where agreement is not reached, a separate arbitrator shall be appointed for each grievance. The cost of the arbitrator and expenses of the hearing, including a court reporter if requested by either party, will be shared equally by the parties. Each of the parties shall bear the cost of their own witnesses, including any lost wages that may be incurred. On

grievances where the arbitrability of the subject matter is an issue, a separate arbitrator shall be appointed to determine the question of arbitrability, unless the parties agree otherwise. Where the question of arbitrability is not an issue, the arbitrator shall only have authority to determine compliance with the provisions of this Agreement. The arbitrator shall not have jurisdiction or authority to add to, amend, modify, nullify, or ignore in any way the provisions of this Agreement and shall not make any award which in effect would grant the Union or the Employer any matters which were not obtained in the negotiation process. The arbitrator shall render a decision within thirty (30) calendar days following the hearing or within thirty (30) calendar days of receipt of the briefs submitted by the parties.

4/2/6 The decision of the arbitrator will be final and binding on both parties to this Agreement.

Section 3 - Time Limits

4/3/1 Grievances not appealed within the designated time limits in any step of the grievance procedure will be considered as having been adjudicated on the basis of the last preceding Employer answer. Grievances not answered by the Employer within the designated time limits in any step of the grievance procedure may be appealed to the next step within seven (7) calendar days of the expiration of the designated time limits. The parties may, however, mutually agree in writing to extend the time limits in any step of the grievance procedure.

4/3/2 If the Employer representative with whom a grievance appeal must be filed is located in a city other than that in which the grievance was processed in the preceding step, the mailing of the grievance appeal form shall constitute a timely appeal if it is postmarked within the appeal period. Likewise, when an Employer answer must be forwarded to a city other than that in which the Employer representative works, the mailing of the answer shall constitute a timely response if it is postmarked within the answer period.

Section 4 - Representation

4/4/1 An employee may consult with his/her local Union representative during working hours for a reasonable period of time relative to the grievance matter by first contacting his/her immediate supervisor. The employee's supervisor will arrange a meeting to take place as soon as possible for the employee with his/her Union representative through the Union representative's supervisor.

Section 5 - Retroactivity

4/5/1 Settlement of grievances may or may not be retroactive as the equities of particular cases may demand. In any case, where it is determined that the award should be applied retroactively, except for administrative errors relating to the payment of wages, the maximum period of retroactivity allowed shall be a date not earlier than thirty (30) calendar days prior to the date of initiation of the written grievance in Step One. Employees who voluntarily terminate their employment will have their grievances immediately withdrawn and will not benefit by any later settlement of a group grievance.

Section 6 - Exclusive Procedure

4/6/1 The grievance procedure set out above shall be exclusive and shall replace any other grievance procedure or appeal procedure for adjustment of any disputes arising from the application and interpretation of this Agreement.

Section 7 - Processing Grievances

4/7/1 Grievance representatives and grievants will be permitted a reasonable amount of time without loss of pay to process grievances during their regularly scheduled hours of employment.

4/7/2 Group grievances are defined as, and limited to, those grievances which cover more than one (1) employee, and which involve like circumstances and facts for the grievants involved. A group grievance must be designated as a group grievance at each step of the grievance procedure and shall set forth thereon the names and classifications of the employees covered by the group grievance.

4/7/3 The Employer is not responsible for any compensation of employees or Union representatives for time spent processing grievances outside their regularly scheduled hours of employment. The Employer is also not responsible for any travel or subsistence expenses incurred by grievants or Union representatives in the processing of grievances.

Section 8 - Number of Stewards

4/8/1 The Union may designate a steward for each craft at UW-Milwaukee and UW-Madison. Also one (1) steward for all crafts may be designated at all other institutions. The Union shall notify the Employer in writing of the names of the stewards and their respective jurisdictional areas within thirty (30) calendar days of their appointment.

Section 9 – Union Grievances

4/9/1 Group representatives who are members of the bargaining unit shall have the right to file and process a grievance when any provision of this Agreement has been violated or when the Employer interpretation of the terms and provisions of the Agreement lead to a controversy with the Union over application of the terms or provisions of this Agreement. Such grievances must be designated as Union grievances at the initial step. One (1) grievant and his/her grievance representative shall appear without loss of pay to represent and serve as spokespersons for such grievances.

Section 10 – Group Grievances

4/10/1 Group grievances are defined as, and limited to, those grievances which cover more than one (1) employee, and which involve like circumstances and facts for the grievants involved. Individual grievances that meet the definition of a group grievance as contained herein shall be consolidated at each step of the procedure. A group grievance must be designated as a group grievance at each step of the grievance procedure and shall set forth thereon the names and classifications of the employees covered by the group grievance. No employees may be added to the list of group grievants after the Second Step hearing. Relief is restricted to those employees identified in the group grievance. Only one (1) of the grievants and his/her grievance representative shall appear without loss of pay to represent and serve as spokespersons for the entire group.

Section 11 - Discipline

4/11/1 The parties recognize the authority of the Employer to suspend, demote, discharge, or take other appropriate disciplinary action against employees for just cause. An employee who alleges that such action was not based on just cause may appeal a demotion, suspension, discharge, or written reprimand taken by the

Employer beginning with the Third Step of the grievance procedure, except that written reprimands shall begin with the First Step of the grievance procedure.

4/11/2 A grievance in response to a written reprimand shall begin at the step of the grievance procedure which is appropriate to the level of authority of the person signing the written reprimand.

4/11/3 An employee shall be entitled to the presence of a designated grievance representative at an investigatory interview (including informal counseling) if he/she requests one and if the employee has reasonable grounds to believe that the interview may be used to support disciplinary action against him/her.

4/11/4 Unless Union representation is present during informal counseling or performance evaluation, disciplinary action cannot be taken at such counseling or performance evaluation meetings. The occurrence of an informal counseling or performance evaluation meeting shall not be used as the basis for or as evidence in any subsequent disciplinary action. Such a meeting can be used to establish that an employee had been made aware of the circumstances which resulted in informal counseling or performance evaluation.

4/11/5 If any discipline is taken against an employee, both the employee and the Union will receive copies of this disciplinary action. If the supervisor and the employee meet to explain or discuss the discipline, a Union representative shall be present if requested.

4/11/6 It is understood that letters of reprimand will be removed upon an employee's request from an employee's personnel file if the employee has received no other discipline within a twelve (12) month time period after the letter of reprimand was issued.

Section 12 - Exclusion of Probationary Employees

4/12/1 Notwithstanding Section 11 above, the retention or release of probationary employees shall not be subject to the grievance procedure.

ARTICLE V

Seniority

5/1/1 Seniority for employees hired after the effective date of this Agreement shall be determined by the original date of employment with the State of Wisconsin. Seniority for existing bargaining unit employees shall be their seniority date as of the effective date of this Agreement. Seniority for employees who become members of the bargaining unit during the term of this Agreement shall be their adjusted continuous service date as of the time they became members of the unit. When the Employer becomes responsible for a function previously administered by another governmental agency, a quasi-public, or a private enterprise, the seniority of employees who become bargaining unit members as a result of this change of responsibility shall be their date of accretion into state service unless the legislation or the Executive Order causing such accretion specifies differently. Such seniority will be changed only where the employee is separated from state service by discharge, resignation or layoff.

5/1/2 The Employer shall notify the Union as soon as possible of any legislative hearings scheduled to discuss state assumption of functions currently administered by another governmental agency, a quasi-public or private enterprise.

5/1/3 Where separation has occurred and the employee is subsequently rehired, the date of rehire will begin the seniority date except where an employee is laid off and recalled or reinstated from layoff within five (5) years thereof, he/she shall retain his/her original date of employment for the computation of seniority.

5/1/4 In the event two (2) employees have the same seniority date, seniority of the one as against the other shall be determined by age with the oldest employee considered having the greatest seniority.

5/1/5 Management will be required to apply seniority as defined above only as specifically provided in this Agreement and subject to any limitations set forth in any particular article or section of this Agreement.

ARTICLE VI

Transfers

Section 1 - General

6/1/1 Craft employees who have permanent status in their current classifications and desire to transfer within their agency shall file a written request as prescribed by the agency with the appropriate personnel office indicating that interest.

Section 2 - Vacancies

6/2/1 When a permanent vacancy occurs, in a permanent position, the Employer will consider those requests on file from any craft employees in the agency who are in the same classification as the vacancy and have indicated an interest in the specific shift or location of the vacancy. Such requests shall remain in effect for the duration of this Agreement.

6/2/2 Any craft employee who is selected for transfer shall have three (3) workdays in which to accept or decline the offer.

Section 3 - Inter-Agency Transfer

6/3/1 In the event that the vacancy is not filled by transfer of a craft employee under the provisions of Section 2 of this Article, the Employer will consider interested craft employees from other agencies within the state service who have registered with the agency. A craft employee's registration for transfer under this section shall be in effect for the duration of this Agreement.

Section 4 - Definition of Vacancy

6/4/1 For purposes of this Article, a permanent vacancy is created:

- A. When the Employer has approval to increase the work force and decides to fill the new positions;

B. When any of the following personnel transactions take place and the Employer decides to replace the previous incumbent: terminations, transfers out of the bargaining unit, promotion, demotion, resignation, or retirement;

C. Transfers within the bargaining unit resulting from either A. or B. above.

Section 5 - Limitations

6/5/1 A. The applications of the procedures in this Article shall be limited to a maximum of three (3) transfers resulting from any given original vacancy.

B. Employees may not transfer under the provisions of Section 1 of this Article more often than once every six (6) months.

C. Employees transferring under the provisions of this Article shall not be eligible for payment of time or expenses incurred by virtue of a request for a transfer or the transfer itself; specifically including, but not limited to, moving expenses.

ARTICLE VII

Wages and Employee Benefits

Section 1 - Adjusted State Prevailing Rate

7/1/1 A. Bargaining unit employees shall receive the adjusted state prevailing rate. The adjusted state prevailing rate is based on the gross area building construction prevailing craft rate, which is the base rate plus employer-paid employee benefits including industry promotion and training funds. The total gross amount is then adjusted downward by the value of the state-provided employee benefits to arrive at the effective value of the adjusted state prevailing rate. The preceding shall not include any area negotiated pay rate add-ons except for spray painting. The statewide pay rate add-on for spray painting shall be fifty cents (\$.50) per hour.

B. Effective July 1, ~~2001~~2003, the adjustment for state employee benefits shall be ~~17.2%~~17.4% of the gross area building construction prevailing craft rate (base plus fringes) plus the cost of the optional health insurance.

C. Effective July 1, ~~2001~~2003, the adjusted state prevailing rate will be ~~82.8%~~82.6% of the gross area building construction prevailing rate less the cost of the optional health insurance.

D. For those employees electing the one hundred twenty four (124) hours [fifteen and one half (15 ½) days] or one hundred forty (140) hours [seventeen and one half (17 ½) days] annual leave option pursuant to the provisions of 7/9/1, effective July 1, ~~2001~~2003 the adjusted state prevailing rate will be ~~81.5%~~81.3% of the gross area building construction prevailing rate less the cost of the optional health insurance, for the calendar year to which their election applies.

E. For those employees eligible for and selecting the one hundred eighty hours [twenty two and one half (22 ½) days] annual leave option pursuant to the provisions of 7/9/1, effective July 1, ~~2001~~2003 the adjusted state prevailing rate will be ~~81.3%~~80.1% of the gross area building construction prevailing rate less the cost of the optional health insurance, for the calendar year to which their election applies.

F. The gross area building construction prevailing craft rate utilized will be the applicable collectively bargained rate for the jurisdictional area in which the employee's job headquarters is located.

G. The Equal Rights Division in DWD shall certify the official gross area building construction prevailing craft rate for the Employer.

1. New Agreements: The effective date for implementation of changes in the prevailing rate shall be the negotiated effective date but shall be no earlier than ninety (90) days prior to receipt of notification by DWD of the "Local Union Wage and Employment Report". If the "Local Union Wage and Employment Report" is sent by certified mail--return receipt requested, then the postmarked date shall constitute the date received.

2. Interim Changes: Subsequent or interim changes which are contained in existing local craft agreements, shall be made effective on the dates specified in those agreements subject to the ninety (90) day limitation set forth above.

H. Prior to appointing an apprentice the Employer shall meet with the Union representative of that trade to determine the rate to be paid. If the parties are unable to agree to a rate and the Employer appoints at a unilaterally determined rate, the Union can file a grievance challenging the calculation of that rate.

Section 2 - Night Differential

7/2/1 Work performed between the hours of 6 p.m. and 6 a.m. will receive an additional forty-five cents (\$.45) per hour added to the adjusted state rate.

Section 3 - Overtime

7/3/1 The adjusted state rate for time worked in excess of forty (40) hours in a workweek will be at the premium rate of one hundred thirty six percent (136%) of the total gross area prevailing rate. The Employer agrees to compensate employees for hours worked in excess of forty (40) hours in a workweek at the premium rate in cash.

7/3/2 All time in pay status shall be considered time worked for purposes of establishing the forty (40) hour base for overtime premium rate.

7/3/3 In lieu of cash, the Employer and employee can mutually agree to the use of Compensatory Time for all or part of the hours. If the Employer agrees to the use of Compensatory Time, the amount of time earned shall be one and one-half (1 1/2) times the actual hours worked in excess of forty (40) hours in a workweek. The

scheduling and use of Compensatory Time shall be in accordance with those provisions applicable to annual leave as specified in 7/9/1/E., except those pertaining to carryover.

7/3/4 Compensatory time hours in excess of forty (40) hours in an employee's account may be liquidated at any time by the Employer either through cash payment or by directing an employee to take the time off.

Section 4 - Health Insurance

7/4/1 The Employer agrees to make available on an optional basis the same health insurance benefits to Craft bargaining unit employees on a cost basis as are provided for non-represented employees. Employees who participate in the health insurance program are required to pay the entire premium costs.

7/4/2 The Employer agrees to allow payroll deductions for any non-State Health Insurance plans consistent with the provisions of s. 20.921(1)(3), Wis. Stats.

Section 5 - Employee-Funded Reimbursement Accounts (ERA)

7/5/1 Effective July 1, 1990, the Employer agrees to offer employees the opportunity to participate in the Employee-Funded Reimbursement Account Program, as administered under the provision of Chapter 40, Wis. Stats., and the contract between the plan administrator and the Department of Employee Trust Funds. In conjunction with the implementation of this new benefit, employees who are enrolled in the optional Health Insurance Program shall pay the total premium cost via a payroll deduction. The total monthly health insurance premium cost shall be split with equal deductions taken from the employees' "A" and "B" biweekly paychecks. For administrative purposes, the new premium deduction cycle shall be started at the beginning of a "B" payroll period. Correspondingly, terminating employees whose last day in pay status occurs during a "B" payroll period shall not have payments for health insurance premiums deducted from that biweekly paycheck. The Employer reserves the right to modify any other administrative procedures which may be necessary to accommodate the installation of this new employee health insurance premium payment system.

7/5/2 (The following health insurance premium payment processing changes are transitional only and shall apply to all participating employees in order to facilitate the implementation of this new program.)

A. Effective June 30, 1990, all hourly pay rate premium deductions will cease.

B. Effective July 1, 1990, employees will pay a 100% total monthly premium cost out of that “A” biweekly paycheck and the next five (5) “A” biweekly paychecks.

C. Effective December 30, 1990, employees will pay a 50% total monthly premium cost out of that biweekly paycheck and each subsequent “A” and “B” biweekly paychecks.)

Section 6 - Income Continuation Insurance

7/6/1 The Employer agrees to continue in effect the Income Continuation Program and the administrative provisions of the program provided under Chapter 40, Wis. Stats. and the master contract between the insurance carrier and the Group Insurance Board.

Section 7 - Lead Craftworker

7/7/1 Lead craftworkers perform work in their craft and in addition, are formally assigned to direct the work of other employees in the same craft. Lead craftworkers (LC) will be compensated at the adjusted prevailing rate for their craft plus fifty cents (\$.50) per hour.

7/7/2 In addition, the Employer may assign an employee to serve as a Temporary Lead Craftworker (TLC). After such assignment exceeds forty (40) consecutive hours in pay status, the employee so assigned shall receive an add-on payment of twenty cents (\$.20) per hour. When an employee qualifies for the add-on, the twenty cents (\$.20) per hour payment shall be made for each hour worked on the assignment including those hours worked during the qualifying period. A Temporary Lead Craftworker assignment shall not exceed one thousand forty three (1043) hours. Temporary Lead Craftworker employee assignments and starting dates shall be at the discretion of the Employer, shall be in written form, and shall not be subject to the grievance procedure.

Section 8 - Sick Leave

7/8/1 A. The Employer agrees to provide a sick leave plan as follows:

1. Sick leave shall accrue at the rate of .0625 hour of sick leave for each hour in pay status, not to exceed five (5) hours of sick leave accrual in any biweekly pay period. Sick leave shall not be used until it has been accrued.

2. Cannot donate a combination of more than forty (40) hours of accrued Saturday legal holiday, sabbatical leave and/or anticipated annual leave in any calendar year (Prorated based on FTE).

3. Must remain a state employee.

I. An applicant may consult with their Union representative by telephone for assistance with completing application materials for the Catastrophic Leave Program. Special requests for personal meetings or other arrangements based on an employee's disability may be considered.

J. It is understood that nothing in this Section shall require either the Union or the Employer to take any action determined to be illegal or in conflict with other provisions of this Agreement.

K. It is understood that the provisions of this Section are not subject to the appeal provisions of Article IV of this Agreement.

ARTICLE VIII

Layoff Procedure

Section 1 - Application for Layoff

8/1/1 The Union recognizes the right of the Employer to layoff, in accordance with provisions of this Article, or to reduce the hours of employment. In accordance with the procedures set forth in this Article, such procedures, however, shall not apply to temporary layoff of less than twenty (20) consecutive calendar days, and/or seasonal layoff of seasonal employees.

Section 2 - General Layoff Procedures

8/2/1 When a layoff occurs, the following general rules shall apply:

A. Layoff shall be by employing unit within the bargaining unit.

B. Layoff shall be by class as set forth in job specifications.

C. Employees within the layoff group shall be laid off by seniority with the least senior laid off first as defined in Article V, except that the Employer shall be permitted to exempt from the layoff process up to ten percent (10%) of the employees but not less than one (1) employee.

D. Employees with permanent status in class shall not be laid off while any limited term employees in the same classification, or original appointment employees serving a probationary period in the same classification, are continued in a bargaining unit position within the employing unit.

Section 3 - Notice of Layoff

8/3/1 In the event the Employer becomes aware of an impending reduction in work force, they will notify the Union as soon as practicable.

Section 4 - Employee Counseling

8/4/1 Upon request, employees notified of layoff shall be counseled on their rights and benefits by management in the presence of his or her business representative, if requested.

Section 5 - Reduction in Hours

8/5/1 In the event management determines to reduce work hours in lieu of layoff, it may, at its option, reduce the weekly scheduled hours of all employees by class within an employing unit to not less than thirty two (32) hours per week for a period not to exceed four (4) weeks in one (1) calendar year and such reduction shall not be considered a layoff. If management determines, at its option, to reduce the weekly hours of a part of the employees within the same class within an employing unit, the layoff procedure will be followed in determining which employees shall work the reduced hours.

Section 6 - Bumping

8/6/1 Any shop supervisor or craftworker supervisor promoted out of a craft position or Lead Craftworker, may, upon notice of layoff and within five (5) calendar days thereafter, elect to bump downward to a classification within the Craft bargaining unit for which they are capable of performing, as determined by the Employer, in a class within the employing unit in which they had previously obtained permanent status in the classified service.

Section 7 - Recall

8/7/1 When a permanent vacancy occurs in an employing unit from which an employee was laid off, the employee shall be recalled according to the inverse order of layoff as provided in this Article for a five (5) year period from the date of layoff.

8/7/2 Employees are responsible for keeping the Employer notified of their current address and phone numbers. The Employer will make a reasonable effort to notify employees being considered for recall by certified mail and telephone. If unable to contact such employees within five (5) workdays, such employees shall forfeit any further recall rights for the vacancy being considered.

8/7/3 A laid off employee who fails to respond to the offer of recall within ten (10) workdays or who fails to be available for work within ten (10) workdays after the acceptance shall forfeit any further recall rights.

Section 8 - Reinstatement

8/8/1 The Craft unit employee who is laid off may file a request for employment with any employing unit in state service. Upon approval of that employing unit, and within the five (5) year period from the date of layoff as provided in this Article, such employee may be appointed to any vacancy in the same class or any similar class for which he/she might meet the necessary qualifications.

Section 9 - Transfer in Lieu of Layoff

8/9/1 A. Within the Department - Bargaining unit employees with permanent status in a class may transfer in lieu of layoff to a vacant position within the bargaining unit, within the same department, in his or her current classification.

B. Between Departments - The employee who is to be laid off may file a request for transfer to any department in state service. Upon approval of that department, such employee may be appointed to any vacancy in the same class or any similar class for which he/she might meet the necessary qualifications in the same or lower salary range as the position from which he/she was laid off.

ARTICLE IX

Hours of Work

9/1/1 Work schedules are defined as an employee's assigned hours of the day, days of the week, and days off.

9/1/2 The parties recognize that operational requirements may make it necessary for the Employer to change the regular work schedules of individual employees as well as the schedules of entire work units; however, the Employer will attempt to keep such work schedule changes to a minimum. Insofar as possible, a minimum of three (3) calendar days notice will be provided to employees whose regular schedules are changed under this article.

ARTICLE X

Health and Safety

Section 1 - General

10/1/1 It is the expressed policy of the Employer and the Union to cooperate in an effort to solve health and safety problems. The Employer shall make reasonable provisions for the safety and health of the employees, and the Union will lend its full support and encouragement to the practice of job safety and health by employees. The Employer further agrees to furnish and maintain in safe working condition all tools and equipment required to carry out the duties of each position. Employees are responsible for reporting any unsafe conditions or practices and for properly using and caring for tools and equipment furnished by the Employer.

Section 2 - Applicable Statutory Provisions

10/2/1 A. Public Employee Safety and Health

Employees under the Agreement shall be covered by s. 101.055, Wis. Stats., relating to public employee occupational safety and health.

B. Toxic Substances, Infectious Agents, and Pesticides (Employees Right to Know Law)

Employees under this Agreement shall be covered by ss. 101.58 - 101.599, Wis. Stats., the statutory provisions which currently apply to the location and/or use of toxic substances, infectious agents, and pesticides in the workplace. Details are provided in the law on the following major program components:

1. The types of information which employers must provide to employees.
2. The right of employees to refuse to work prior to the receipt of requested information.
3. The responsibility of the Employer to provide education and training to employees.

4. The complaint resolution procedure to be used by employees who have been denied their rights.

10/2/2 Employee complaints under this Section shall be restricted to the remedies available under state statutes and shall not be subject to the grievance procedure (Article IV) of this Agreement.

Section 3 - Protective Clothing and Equipment

10/3/1 The Employer shall furnish protective clothing and equipment in accordance with the standards established by the Department of Commerce.

10/3/2 In addition, when the Employer becomes aware that employees may be exposed, as a result of the employee's assigned duties, to substances that may be hazardous to the employee's health, the Employer shall notify affected employees and the appropriate Union Representative(s) as defined in 4/1/3. In these instances, the Employer shall immediately take those steps it deems appropriate to provide affected employees with necessary protective clothing and equipment.

10/3/3 The employer shall furnish protective foul weather gear when weather conditions are extreme.

Section 4 - Foot Protection

10/4/1 The Employer reserves the right to require the wearing of foot protection by employees. In such cases, the Employer will provide a safety device or, if the Employer requires the purchase of approved safety shoes, the Employer will pay an allowance of fifteen dollars (\$15.00) per year payable as an expense check the first pay period of the calendar year. If an authorized medical certificate is presented, an employee shall be excused from wearing safety shoes.

Section 5 - Eye Examination

10/5/1 If an eye examination for safety glasses is necessary, the Employer will pay the entire cost of one examination during the life of this Agreement.

Section 6 - Transportation of Tools

10/6/1 The Employer agrees to provide transportation for all necessary tools, equipment, material and supplies which cannot reasonably or safely be transported by hand.

ARTICLE XI

No Strike or Lockout

11/1/1 Inasmuch as this Agreement provides machinery for the orderly resolution of disputes which relate to this Agreement by an impartial third party, the Employer and Union recognize their mutual responsibility to provide for uninterrupted services. Therefore, for the mutual duration of this Agreement:

A. The Union agrees that neither it, its officers, agents, representatives or members, individually or collectively, will authorize, instigate, cause, aid, condone, or take part in any strike, work stoppage, sit-down, stay-in, slowdown, or other concerted interruption of operations or services by employees (including purported mass resignations or sick calls) or any concomitant thereof. The Union agrees that the Employer has the right to deal with any such strike activity by:

1. Imposing discipline, including discharge or suspension without pay on any, some, or all of the employees participating therein, and/or on any, some, or all of the leaders of the labor organization who so participate, as the Employer may choose;

2. Canceling the civil service status of any employee engaging therein;

3. a. Seeking an injunction and/or requesting the imposition of fines, either against the Union and/or the employee(s) engaging therein, and/or suing for damages because of such strike activity.

b. When the Employer notifies the Union by certified mail that any of its members are engaged in any such strike activity, the Union shall immediately, in writing, order such employees to return to work, provide the Employer with a copy of such order by certified mail within twenty four (24) hours of receipt of the notification from the Employer, and a responsible officer of the Union shall publicly order the striking employees to discontinue such conduct through the medium of local newspapers and/or local radio. Failure of the Union to take such action shall be considered in determining whether or not the Union caused or authorized, directly or indirectly, the strike. This clause is not subject to the arbitration provisions of this Agreement but shall be enforced by the ordinary processes of law.

B. The Employer agrees that neither its, its officers, agents or representatives, individually or collectively, will authorize, instigate, cause, aid or condone any lockout.

ARTICLE XII

General

Section 1 - Obligation to Bargain

12/1/1 This Agreement represents the entire Agreement of the parties and shall supersede all previous agreements, written or verbal. The parties agree that the provisions of this Agreement shall supersede any provisions of the rules of the Administrator, Division of Personnel and the Personnel Board relating to any of the subjects of collective bargaining contained herein, when the provisions of such rules differ with this Agreement. The parties acknowledge that during the negotiations which resulted in this Agreement, each had the unlimited right and opportunity to make demands and proposals with respect to any subject or matter not removed by law from the area of collective bargaining, and that all of the understandings and agreements arrived at by the parties after the exercise of that right and opportunity are set forth in this Agreement. Therefore, the Employer and the Union, for the life of this Agreement, and any extension, each voluntarily and unqualifiedly waives the right, and each agrees that the other shall not be obligated to bargain collectively with respect to any subject or matter referred to any subject or matter not specifically referred to or covered in this Agreement, or with respect to any subject or matter not specifically referred to or covered in this Agreement, even though such subject or matter may not have been within the knowledge or contemplation of either or both of the parties at the time that they negotiated or signed this Agreement.

Section 2 - Retroactivity

12/2/1 No provision of this contract shall be retroactive unless so specifically stated.

Section 3 - Partial Invalidity

12/3/1 Should any party to this Agreement or any provision contained herein be declared invalid by operation of law or by any tribunal of competent jurisdiction, such invalidation of such part or provision shall not invalidate the remaining portions hereof and they shall remain in full force and effect.

Section 4 - Definition of Probationary Employee

12/4/1 The term “probationary employee” as used in this Agreement relates to all employees serving on a probationary period as defined below. All original and all promotional appointments to permanent and seasonal positions in the classified service shall be for a probationary period of six (6) months, except as specifically provided in s. 230.28, Wis. Stats., and Wis. Administrative Code, ER Pers 13, in the cases of trainees, intern classes, reinstatement, transfer, and demotion, or where longer probationary periods are authorized. The inclusion of this Section in the Agreement is for informational purposes only and does not constitute bargaining with respect to the subject matter of this Section. Further, any amendment to the aforementioned law or rule governing probationary periods will require an immediate amendment to this Section.

Section 5 - Work Rules

12/5/1 The Employer agrees to establish reasonable work rules. These work rules shall not conflict with any provisions of the Agreement. Newly established work rules or amendments to existing work rules shall be reduced to writing and furnished to the Union at least seven (7) calendar days prior to the effective date of the rule. For purposes of this Agreement, work rules are defined as and limited to:

“Rules promulgated by the Employer within its discretion which regulate the personal conduct of employees.”

12/5/2 Work rules are to be interpreted and applied uniformly to all employees under like circumstances. The reasonableness of work rules, which includes both the application and interpretation, may be challenged through the grievance procedure contained in this Agreement.

Section 6 - Contracting Out

12/6/1 When a decision is made by the Employer to contract or subcontract work normally performed by employees of the bargaining unit, the State agrees to a written notification to and discussion with the Union in advance of the implementation. In the event a position is to be abolished as a result of contracting or subcontracting, the Employer will hold advance discussions with the Union prior to letting the contract. The Union will be advised of the nature and scope of work to be performed.

12/6/2 If requested by the union, the Employer agrees to meet and discuss issues of contracting out.

ARTICLE XIII

Termination of Agreement

13/1/1 Except as otherwise provided herein the terms and conditions of this Agreement shall continue in full force and effect commencing on ~~May 17, 2003~~_____ and terminating on June 30, ~~2003~~2005, unless the parties mutually agree to extend any or all of the terms of this Agreement. Upon termination of the Agreement, all obligations under the Agreement are automatically canceled, except that the provisions of the grievance procedure shall continue in effect for such period of time as is necessary to complete the processing of any grievance presented prior to the termination of the Agreement.

Negotiations of Future Agreements

13/1/2 In the negotiations of a future Agreement, the parties agree that the Union will submit and explain its demands to the Employer on or before March 1, ~~2003~~2005, and the Employer will submit and explain its demands to the Union on or before March 15, ~~2003~~2005.

NEGOTIATING NOTE #1

NEGOTIATING NOTE #3
2004~~3~~-2003~~5~~ AGREEMENT

Parking/Public Transit Account

It is possible that, during the life of this agreement, the Department of Employee Trust Funds (DETF) will develop an account system similar to or part of the Employee Reimbursement Account (ERA) Program that will allow state employees to pay for work-related parking and transit on a pre-tax basis. The Employer and Union agree that if such an account system is developed and implemented, employees covered under this agreement will be allowed to participate in the system. By agreeing to allow such participation, the Employer and Union also agree that all dates, rules and conditions established by the DETF for the system's implementation and administration will apply.

MEMORANDUM OF UNDERSTANDING NO. 1

~~20043-20035~~ AGREEMENT

The Employer agrees that employees covered by this Agreement will have the opportunity to elect coverage under any dental plan provided by the Employer to other bargaining units during the term of this Agreement. Employees electing coverage shall pay all plan premiums. The effective date, election period, and other terms of coverage will be determined at the time the dental plan is first made available to any other bargaining unit, and will be the same as terms applying to those units.

MEMORANDUM OF UNDERSTANDING NO. 2

2003-2005 AGREEMENT

During the course of negotiations for the 2003-2005 Agreement, concerns were raised by the union regarding contracting out for services under chapter 16 procurement procedures. As part of ensuring fiscal responsibility in state government, the state is committed to managing contracts for services in a manner consistent with the best interests of the state as a whole. It is essential that the state comply with relevant statutes, administrative rules, DOA procurement policies, and collective bargaining agreements when contracting for services. The state wishes to give effect to the letter and intent of those statutes, rules, procedures, and agreements while continuing to streamline procurement procedures so as not to unduly delay the performance of state services. In an effort to address these concerns, the parties agree to the following:

1) DOA will develop a shared format to be used by all agencies to track the purchase of contracted services. If a centralized, electronic procurement system becomes available during the biennium, that system may be substituted. Information gathered in this manner will be shared by agencies with the union on an annual basis. This shared format will be developed and distributed to agencies not later than March 1, 2004.

2) State agencies will abide by current state procurement policies and collective bargaining agreements regarding notice of contracting out to unions. In addition to providing notices currently required by existing statutes, rules and procedures, a notice will be issued to the union for all vendor-managed service contracts no later than 5 working days prior to the each service engagement. This notice will include the type of services to be performed and a justification of need consistent with the requirements of the DOA Procurement Manual. If unforeseen circumstances prevent the

issuance of the notice 5 working days prior to the service engagement, a notice will be issued as soon as possible consistent with business needs.

3) DOA will issue a memorandum to agencies by January 2, 2004, clarifying the process that is required to be followed when a request for purchasing authority is issued and when the delegated contract process is followed, consistent with relevant statutes, administrative rules, procurement policies, and collective bargaining requirements. This memorandum will emphasize the importance of providing timely notice to affected labor organizations at the appropriate points in the process, and the importance of preparing a justification of need for contracted services that includes a statement showing why the services can be performed more economically or efficiently by contract rather than by current state employees or by hiring permanent, project, or limited term employees.

This Memorandum of Understanding sunsets on June 30, 2005, regardless of contract extension, unless the parties mutually agree to extend.

Letter on Filling Vacancies

November 7, 2003

Lyle Balistreri, President

Milwaukee Building Trades Council

5941 W. Blue Mound Road

Milwaukee, WI 53213

Dear Mr. Balistreri:

During bargaining sessions for the successor 2003-2005 negotiated agreement for the State Building Trades Bargaining Unit, you expressed concerns on the notification process for filling vacancies. This included your concern that current state employees interested in a transfer may be unaware of Trade vacancies such that an outside person may be appointed without the hiring supervisor being aware of that employee's transfer interest.

Providing adequate and timely notice to potential applicants has been a concern of ours and one of the primary reasons for development and implementation of WiscJobs, an electronic vacancy notice system which is updated daily on new vacancies. You need to have access to a computer with internet capabilities to use WiscJobs. This new system also keeps the job posted until the closing date. Older paper systems took time to distribute and only posted the job once so that if you missed that specific notice, you may not be aware of a vacancy even though the position is still available for receipt of applications.

Many libraries and job service offices provide access to WiscJobs and a growing number of State Human Resource Offices located throughout the state are providing access to a computer for WiscJobs job searches. I do recognize that not all state employees have easy access to a computer. For those members of the Trades

bargaining unit interested in quick searches of Trade vacancies using WiscJobs or with help from another person, the process is very easy. The instructions are attached to this letter.

Sincerely,

Karen E. Timberlake

Director

Instructions for Using WiscJobs to find vacancies in the Trades bargaining unit

On a personal computer logged into the inter-net:

1. At the address line, type in **www.oser.state.wi.us** to reach the Office of State Employment Relations web site.
2. Click on the “**Jobs**” button.
3. On the Jobs page, click on “**WiscJobs – State of Wisconsin Job Opportunities**”
4. On the WiscJobs page, there are several job search options.

The “**Transfer**” selection option will generate a list all transfer opportunities available to current state employees. There are typically few announcements in this category.

The “**Advanced Search**” selection option will allow the employee to search for all vacancies for Trades positions that are currently open and available for application. To use this option, select “**Advance Search**” and scroll to the bottom of the selection options. At the bottom of the page, a drop down box allows the viewer to select the “**Bargaining Unit**”. To generate a list of all announced open Trades vacancies, the viewer would select “**04-Building Trades**” and push the “**Submit**” button. This will list all current Trade vacancies and tell the viewer how to apply.

If the employee does not have access to a computer:

If the employee does not have access to a computer, he or she could call the Division of Merit Recruitment and Selection, Employment Services Center at (608) 266-1731. The caller should option out of the recorded messages to talk to an Employment Services Representative who can help the caller by searching for Trades vacancies on WiscJobs. Employment Services Center staff are available during normal working hours, 7:45 to 4:30, Monday through Friday, exclusive of holidays.

Letter

November 7, 2003

Lyle Balistreri, President

Milwaukee Building Trades Council

5941 W. Blue Mound Road

Milwaukee, WI 53213

Dear Mr. Balistreri:

During bargaining sessions for the successor 2003-2005 negotiated agreement for the State Building Trades Bargaining Unit, you expressed concerns on the importance of the appropriate use of the state's classification system. Specifically, you expressed concerns that some agencies or campuses were creating jobs where the majority of work assignments would be considered skilled trades work yet the position was assigned to a classification included in the Blue Collar and Non-building Trades Bargaining Unit as a way to save money. Your concern is that this is not only an abuse of the state's classification system but also in violation of the state labor laws in that it undermines the trade union's ability to represent those employees performing skilled trades work..

As Director of the State Office of Employment Relations, my responsibilities include the developing, implementing and monitoring the state's classification system. As provided in s230.09 (2), Wis. Stats., this includes allocating each position in the classified service to an appropriate class on the basis on its duties, responsibilities and authorities. I will ask my staff to be especially mindful of classification activity in the skilled trades area, especially where there may be some overlap between skilled or semi-skilled work. Jobs

which spend the majority of time performing skilled trade work should be assigned to trade classification. To do otherwise is wrong and if we find that it has been done, we will take action to correct the misclassification.

As part of the work plan for classification studies this coming biennium, the staff of our Occupational Analysis Unit will be reviewing a variety of semi-skilled blue collar work to update classification specifications for this occupational group. This study will update classification specifications for a number of blue collar jobs such that agencies and campuses should be better able to distinguish between skilled trade and semi-skilled blue collar work.

Sincerely,

Karen E. Timberlake
